(For Immediate Release)

Appointment of Public Works Director

City Manager Roger Wong announced today the appointment of Dale Lipp as the next Public Works Director for the City of Greenfield. The appointment is effective on January 19, 2010. This will provide sufficient time for relocation to the area.

The new Public Works Director is an experienced public works executive. He is a licensed civil engineer with the State of California. His most recent public service position was as Public Works Director/City Engineer for the City of Carpinteria. Prior to that, he served in the capacity of Public Works Director/City Engineer for the City of Calabasas. His service in both cities, which are comparable in size to Greenfield, were for approximately 5 years. Mr. Lipp started this public career as a Junior Civil Engineer for the City of Seaside. He has worked for several private industry engineering firms as a consultant on numerous public infrastructure projects, such as street and sidewalk, storm drain, street lighting, and sewer and water system improvements.

The new Public Works Director is originally from the Monterey Peninsula. He attended Pacific Grove High School, Monterey Peninsula College and has a bachelor's degree in engineering design from Brigham Young University. He and his wife are looking forward to returning to the area where he grew up. As an active bicyclist, he looks forward to riding his road bike in the Salinas Valley.

City Manager Wong is pleased with Mr. Lipp's employment. "Dale has a tremendous wealth of experience and skills that will benefit our community. He tells me he looks forward to assisting in many projects that are necessary for the health and safety of our community." Wong said. He also states that the new Public Works Director has the right attitude in wanting to work with the community, staff and city council. "Dale is a seasoned professional who just seems like he'll get along with everyone."
