² State law prohibits personal use of public resources. Cal. Gov't Code § 8314 (making it unlawful for state or local officials to use public resources for personal or campaign purposes).

³ Cal. Gov't Code § 50023 (Cost and expense incident to such meetings with representatives of executive agencies and present such information are proper charges against the local agency).

⁴ See *Madden v. Riley*, 53 Cal. App. 2d 814, 823, 128 P.2d 602 (1942) (propriety of conference expenses for networking purposes).

⁵ Limit pre-approved travel to in-state travel only. Pre-approval for all out-of-state-travel is required.

II. MEETING STIPENDS

General

Consistent with Internal Revenue Service Reimbursement Regulations, officials receive a per diem based on Internal Revenue Service schedule ("daily meeting stipend") for each day's attendance at meeting, as defined in this policy. Such compensation includes any reimbursement for meals, lodging, travel and expenses consistent with this policy.

Meetings and Service Subject to Daily Stipend

To be entitled to a daily stipend under this policy, the event in question must constitute one of the following:

- A. A meeting of the City Council within the meaning of Government Code section 54952.2(a);¹⁰
- B. A meeting of a council committee within the meaning of Government Code section 54952(b);¹¹
- C. An advisory body meeting within the meaning of Government Code Section 54952(b);¹²

¹⁰ Section 54952.2(a) reads as follows:

(a) as used in this chapter "meeting includes any congregation of a majority of the members of a legislative body at the same time and place to hear, discuss, or deliberate upon any item that is within the subject matter jurisdiction of the legislative body or the local agency to which it pertains.

¹¹ Section 54952(b) reads as follows:

A commission, committee, board, or other body of a local agency, whether permanent or temporary, decision making or advisory, created by charter, ordinance, resolution, or formal action of a legislative body. However, advisory committees, composed solely of the members of the legislative body that are less than a quorum of the legislative body are not legislative bodies, except that standing committees of a legislative body, irrespective of their composition, which have a continuing subject matter jurisdiction, or a meeting schedule fixed by charter, ordinance, resolution or formal action of a legislative are legislative bodies for purposes of this chapter.

¹² Section 54952(b) reads as follows:

Advisory committees composed solely of the members of the legislative body that are less than a quorum of the legislative body.

D. A conference within the meaning of Government Code section 94952.2(c)(2)¹³ of the following organizations:

- Association of Monterey Bay Area Governments (AMBAG)
- League of California Cities
- Salinas Valley Solid Waste Authority
- Transportation Agency for Monterey County (TAMC)
- Local Agency Formation Commission of Monterey County (LAFCO)
- Monterey Bay Area Insurance Fund
- California Redevelopment Association

E. A meeting of any multi-jurisdictional governmental body on which the councilmember serves as the City's designated representative.¹⁴

F. Any meeting attended or service provided on a given day at the formal request of the City and for which the Council approves payment of a daily meeting stipend.

Aggregate Limits

The number of days for which a Council receives a daily stipend will not exceed the aggregate limits established by state or federal law.

III. COST CONTROL

To conserve City resources and keep expenses within community standards for public officials, expenditures should adhere to the following guidelines.

¹³ Section 94952.2(c)(2) reads, in pertinent part:

... a conference or similar gathering open to the public that involves a discussion of issues of general interest to the public or to public agencies of the type represented by the legislative body, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specified nature that is within the subject matter jurisdiction of the local agency.

¹⁴ Cal. Go's Code § 54952.2(a) as used in this chapter, "meeting" includes any congregation of a majority of the members of a legislative body at the same time and place to hear, discuss, or deliberate upon any item that is within the subject matter jurisdiction of the legislative body or the local agency to which it pertains.

Transportation

The most economical mode and class of transportation consistent with scheduling needs and cargo space requirements must be used, using the most direct and time-efficient route. In the event that a more expensive transportation form or route is used, the cost borne by the City will be limited to the cost of the most economical, direct, efficient and reasonable transportation form.

Automobile mileage is reimbursable at current Internal Revenue Rates. These rates are designed to compensate the driver for gasoline, insurance, maintenance, and other expenses associated with operating the vehicle.¹⁵ This amount does not include bridge and road rolls, which are also reimbursable.

Lodging

Lodging costs will be reimbursed or paid for when travel on official City business reasonably requires an overnight stay. If such lodging is in connection with a conference, lodging costs will not exceed the group rate published by the conference sponsor for the meeting in question. For overnight stays in other counties, the Internal Revenue Service per diem rates for lodging, which include adjustments for higher cost location, will be paid.¹⁶

¹⁵ Cal. Gov't Code § 1223 (allowing an allowance or mileage rate for state, county, judicial district, or city officer's automobile owned, rented or used in performance of duties). Using the Internal Revenue Service Code mileage rate for distance actually traveled / Albright v. City of South San Francisco, 44 Cal. App. 3d 866, 118 Cal. Rptr. 901 (1975) (successful challenge to a flat expense allowance for non-itemized expenses that was not supported by an ordinance or resolution finding such expenses were actual, necessary or beneficial to the public); Citizen Advocates v. Board of Stanislaus County, 146 Ca. App. 3d 171, 194 Cal. Rptr. 61 (1983) (finding a flat care allowance that supplements a per-mile reimbursement authorization was permissible).

¹⁶ The Internal Revenue Service establishes per diem thresholds for employees; any amounts in excess of the per diem for a given area is treated as additional wages for tax purposes. For example, for 2006, the standard per diem rate is \$ 99 for lodging in general. However, per the Internal Revenue Service, the rate for the San Francisco area (as defined) was \$ 194. (Exhibit "B")

Meals

Meal expenses and associated gratuities should be moderate, taking into account community standards and the prevailing restaurant costs of the area. The Internal Revenue Service per diem rates for meals and incidental expenses, which include adjustments for higher cost locations, will be paid.¹⁷

The City will not pay for alcohol/personal bar expenses.

Telephone/Fax/Cellular

Officials will be reimbursed for actual telephone and fax expenses incurred on city business. Telephone bills should identify which calls were made on city business. For cellular calls when the official has a particular number of minutes included in the official's plan, the official can identify the percentage of calls made on public business and reimburse the City.

Airport Parking

Long-term parking will be used for travel exceeding 24-hours.

Other

Baggage handling fees of up to \$ 1 per bag and gratuities of up to 15 percent will be reimbursed. Expenses for which city officials receive reimbursement from other agency are not reimbursable.

IV. CASH ADVANCE POLICY

From time to time, it may be necessary for an official to request a cash advance to cover anticipated expenses while traveling or doing business on the City's behalf. Such request for an advance should be submitted to Finance Manager 15 days prior to the need for the advance with the following information.

¹⁷ The Internal Revenue Service establishes per diem thresholds for employees; any amounts in excess of the per diem for a given area is treated as additional wages for tax purposes. For example, the standard per diem is \$ 39 for meals and incidental expenses in general. However the rate for Los Angeles, San Francisco, San Diego and San Jose areas (as defined) is \$ 64. Exhibit "B"

- The purpose of the expenditure(s);
- The benefits of such expenditure to the residents of Greenfield;
- The anticipated amount of the expenditure(s) (for example, hotel rates, meals costs, and transportation expenses); and
- The dates of the expenditure(s).

Any unused advance must be returned to the city treasury within five business days of the official's return, along with an expense report and receipts documenting how the advance was used in compliance with this expense policy. Per the Internal Revenue Service, if no expense report and receipts are submitted, this is treated as additional wages tax purposes.

In the event the Finance Manager is uncertain as to whether a request complies with this policy, such individual must seek resolution from the City Manager.

V. CREDIT CARD USE POLICY

The City does not issue credit cards to individual Councilmembers but does have a City credit card for selected city expenses. City Councilmembers may use the City's credit card for purposes such as gasoline, airline tickets and hotel reservations by following the same procedures for cash advances. Receipts documenting expenses incurred on the city credit cards and compliance with this policy must be submitted within five business days of use.

City credit cards may not be used for personal expenses, even if the official subsequently reimburses the City.

VI. EXPENSE REPORT CONTENT AND DEADLINE SUBMISSION

Expense reports must document that the expense in question met the requirements of the policy. For example, if the meeting is with a legislator, the Councilmember should explain whose meals were purchased, what issues were discussed and how those relate to the city's adopted legislative positions and priorities.

Officials must submit their expense reports within 30 days of an expense being incurred, accompanied by receipts documenting each expense. Restaurant receipts, in addition to any credit card receipts, are also part of the necessary documentation. Receipts for gratuities and tolls under \$ 5 are not required.

Inability to provide such documentation in a timely fashion may result in the expense being borne by the official and/or considered wages for tax purposes.

VII. AUDITS OF EXPENSE REPORTS

All expenses are subject to verification of compliance with this policy.

VIII. REPORTS TO GOVERNING BOARD

At the following City Council Meeting, each official shall briefly report on meetings attended at city expense. If multiple officials attended, a joint report may be made.¹⁸

IX. COMPLIANCE LAWS

City officials should keep in mind that some expenditures may be subject to reporting under the Political Reform Act and other laws.¹⁹ All agency expenditures are public records subject to disclosure under the Public Records Act.²⁰

¹⁸ In making a joint report, officials should be mindful about open meeting laws governing communications among members of a legislative body. There is a conference exception to the Brown Act, as long as a majority of the members of a legislative body does not discuss among themselves business that is within the subject matter jurisdiction of the local agency (other than as part of the scheduled program). Cal. Gov't Code § 54952.2(c)(2). Officials should not discuss among themselves the content of a joint report in advance of a public meeting. Simply asking one official to be the lead on the report during the public meeting and then asking others if anything was omitted should avoid Brown Act issues.

¹⁹ For example, meals are considered "gifts" to legislators that must be reported by them if the total value of gifts given from the agency exceeds \$ 50 in a year; there also is an annual gift limit. In 2005-2006, this limit is \$ 360.

²⁰ Cal. Gov't Code §§ 6250 et seq. (California Public Records Act).

X. VIOLATION OF THIS POLICY

Use of public resources or falsifying reports in violation of this policy may result in any or all of the following: 1) loss of reimbursement privileges, 2) a demand for restitution to the City, 3) the agency's reporting the expenses as income to the elected official to state and federal tax authorities and 4) prosecution for misuse of public resources.

LEGISLATIVE COUNSEL'S DIGEST

AB 1234, Salinas Local agencies: compensation and ethics.

Existing law provides for the establishment and operations of cities, counties, cities and counties, districts, and other local government agencies, the composition of their governing bodies, and the payment of governing body members for attending meetings and performing other duties, and prescribes conflicts of interest.

This bill would require a local agency that provides reimbursement for expenses to members of its legislative body to adopt a written policy on the duties for which legislative body members may receive compensation, other than meetings of the legislative body or an advisory body or attendance at a conference or organized educational activity. The bill would require such a governing body to adopt a written policy concerning what occurrences qualify a member to receive reimbursement of expenses for travel, meals, and lodging and would impose related requirements, including the filing of expense reports, which would be public records.

This bill would also require that if a local agency provides any type of compensation, salary, or stipend to, or reimburses the expenses of, a member of the legislative body, all local agency officials, except a member whose term of office ends before January 1, 2007, in local agency service as of January 1, 2006, or thereafter

receive training in ethics, as specified. This bill would provide that if any entity develops criteria for the ethics training, then the Fair Political Practices Commission and the Attorney General shall be consulted regarding any proposed course content. This bill would specify, with respect to certain special districts, how a director's activities on a specific day are determined to be compensable and would make related changes.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 25008 of the Government Code is amended to read:

25008. Members shall be allowed their actual expenses in going to, attendance upon, and returning from state association meetings and their actual and necessary traveling expenses when traveling outside their counties on official business. Reimbursement for these expenses is subject to Sections 53232.2 and 53232.3 of the Government Code.
