Cal Grip Grant Award 2010/2011

The Cities of Greenfield, Gonzales, King City and Soledad are proud to announce the awarding of the 2010/2011 California Gang Reduction, Intervention and Prevention Program (CAL GRIP) grant.

Notification of the Grant award was given on Friday, December 17, 2010 by Governor Arnold Schwarzenegger at a press conference held in Los Angeles. In attendance at the Governors press conference was Gonzales Mayor Maria Orosco, Gonzales City Manager Rene Mendez, Soledad Police Chief Eric Sills and Soledad Police Investigator Mark Hartunian.

The awarding of this \$369,309 grant will empower the south Monterey County cities of Greenfield, Gonzales, King City and Soledad to continue funding their efforts to provide suppression, intervention and prevention of Gang activity within the four cities.

The Four cities will continue to combine personnel and resources by working together under the "Four Cities for Peace" (4C4P) initiative.
