HIGH EFFICIENCY DISHWASHER REBATE PROGRAM

The City of Greenfield offers an ENERGY STAR[®] Dishwasher Rebate program to provide financial assistance to customers wishing to purchase high efficiency, water conserving dishwashers for their home. The rebate amount is \$150 or the cost of the dishwasher, whichever is less. This rebate program is for single and multi-family residential customers and properties only. Maximum of one rebate per residential property. The amount of rebate may not exceed the customer's actual cost. Installation of the dishwasher is the sole responsibility of the applicant. This rebate program is available on a first-come-first-serve basis subject to funding availability.

Rebate Eligibility Requirements

- The dishwasher must be installed at a location served by the City of Greenfield. The applicant must be the property owner of the property or an authorized agent.
- The dishwasher must be ENERGY STAR[®] labeled meeting energy and water consumption standards established by the Consortium for Energy Efficiency. Verify with the appliance retailer that the dishwasher you are purchasing qualifies as an ENERGY STAR[®] labeled appliance. To learn how various ENERGY STAR[®] qualified dishwashers are rated in terms of energy and water savings, go to www.energystar.gov.
- The dishwasher must be purchased new at retail price on or after June 1, 2015. Resale or lease/rental option dishwashers are not eligible.
- The rebate does not apply to hoses, fittings, or installation charges.
- An on-site inspection by a City representative, or other proof of installation, may be required to verify installation.
- Proof of purchase and installation is required. Attach to the completed application form the original sales receipt showing the dishwasher model and date of purchase.
