

Greenfield Community

Policing Survey

Introduction

- ⌘ Developed a survey
- ⌘ Randomly selected streets by individual beats
 - Beats 4 and 5
- ⌘ Randomly selected addresses to survey

Survey Script

∞ Introduction: “Hello. My name is _____ and I am a police officer with the Greenfield Police Department. I am conducting a survey of the residents in the City of Greenfield because the Police Department wants to work with you to make your neighborhood a safer place to live. This survey will help us understand the safety problems and how to go about solving them. Your input is very important and I appreciate your cooperation. I am going to ask you some questions. Then I will read you some statements, and please tell me if you strongly agree, agree, disagree, or strongly disagree with each statement. Unless otherwise specified all these questions apply only to your neighborhood and your name is not used on this survey. Do you have any questions?”
